

## Press Release

Best Built Inc.  
3100 Holmgren Way  
Green Bay, WI 54304

Last week Wednesday March 3rd Best Built, Inc. received one of the prestigious “No Lost Time Accident Safety Awards” for 2009. The award was presented to Best Built, Inc. in Stevens Point, Wisconsin at the State Safety Conference. The award was presented by the Wisconsin Chapter of Associated Builders and Contractors. The award was received by Ken Hanson and Shawn Ziesmer, both of whom are project foremen for Best Built, Inc. During an interview at the safety conference with Jim Boyea, the lead project manager for Best Built, Jim said, “safety has been a key component to Best Built’s daily construction operations. Our employees are very proud of this accomplishment and are always striving to work as safely as possible”.
